

## Boxer Welfare Scotland

Rescuing and rehoming  
boxers across Scotland  
since 2005

### What do we do?

BWS rescue and re-home boxers throughout Scotland either when they have been neglected or abused or where their families are no longer able to look after them. Prior to adoption we provide any necessary veterinary treatment, vaccinate, microchip and neuter/spay them before matching them to their new family.

BWS also promotes responsible dog ownership and offers guidance and advice to people seeking help and reassurance about their boxer.

### How can I help?

We are always looking for volunteers to help us collect or transport dogs, to carry out home-checks or help run local fundraising events to raise much-needed funds.

Please help us continue our work by making a donation!! We appreciate whatever you are able to spare whether this is a one-off or regular gift.
